OSAA MUSIC RULES (*Excerpt OSAA Handbook, Rules*)

The Music Rules for the Association are the same as the Rules listed in the OSAA Handbook with the following exceptions:

1. Rule 1 – Responsibility of the Member School and Principal

1.4. Athletic Director and Coach Certification. Certification of Coach Eligibility does not apply to music directors.

1. Q. Must an authorized representative be present with each group or participant at each music event?

A. Yes, the principal or his/her authorized representative must be present at each music event.

2. Rule 2 – Officials

2.1. The Band/Orchestra, Choir and Solo Music Handbooks shall govern the adjudicating of all competitive state music events and OSAA League/Special District and/or OMEA District qualifying events.

2.2. Adjudicators for state events shall be recommended by the State Championships Directors. The OSAA shall approve adjudicators for state events.

2.3. Adjudicators for OSAA League/Special District and/or OMEA District qualifying events shall be selected by local contest chair.

1. Q. Must OSAA Leagues/Special Districts and/or OMEA Districts, invitational or local contests and festivals follow the Band/Orchestra, Choir and Solo Music Handbooks in their contest format?

A. Only if they wish to enable schools to qualify for a state event. The handbook format has flexible recommendations that could be used regardless of local festival philosophy or needs, e.g., competitive vs. non-competitive.

2. **Q.** Must all adjudicators be selected from the OMEA "approved" lists?
A. No, unless schools wish to qualify for a state event. If state qualification is desired, certified adjudicators must be used. Exceptions may be made for out-of-state adjudicators by OSAA approval.

3. **Rule 3 – Contests – Sportsmanship – Crowd Control**

1. **Q.** Would full member schools be permitted to participate with OSAA schools that have not elected to participate in state music competitions?
A. Yes.
2. **Q.** May a band and choir from the same school participate in the state band and choral events?
A. Yes. They are separate activities. A school may also enter both a full and a string orchestra.

NOTE: Rule 4 and Rule 5 are the same as stated in the Rules section.

6. **Rule 6 – Association Sports / Activities.**

- 6.6. Music events sanctioned by the OSAA may take place throughout the Association Year.
- 6.8. There shall be no limits on the number of music events in which schools may participate, other than those imposed by the individual school districts.

7. **Rule 7 – Out-of-Season and Non-School Activities**

- 7.1. Individuals and groups of students from a member school may participate in summer instructional, recreational, or competitive music programs, except during Moratorium Week.

8. **Rule 8 – Individual Eligibility**

Individual eligibility rules to be satisfied by a music student in order to represent his or her full member school in competitive Choir, Band and Orchestra music activities are the same as for any other OSAA sport or activity with the following additional rules.

- 8.1. **School Music Class Participation Requirement.** An eligible music student shall be enrolled in the class for **an** appropriate performing ensemble at the full member school to participate in competitive Choir, Band and Orchestra music activities.

EXAMPLES:

Vocalists shall be enrolled in a choir class.

Woodwind/Brass/Percussion players shall be enrolled in a band class.

String players shall be enrolled in a string/orchestra class **or band class in the case of double bass players performing with a band.**

Vocalists performing a vocal part with a band / orchestra shall be enrolled in the band, orchestra or choir class.

- 8.2. **3A, 2A, 1A Band/Orchestra/Choir Exception.** For 3A, 2A and 1A schools, students in the 7th and/or 8th grades of feeder schools may represent the high school they will be attending in Choir, Band and Orchestra competitions.

1. **Q.** If a student musician is not enrolled in the "appropriate performance ensemble" class available at the full member school, may that student musician participate at the league large group (Choir, Band, Orchestra) music contest or OSAA large group (Choir, Band, Orchestra) music contest representing the school?
A. No.
2. **Q.** Must a home school student be enrolled in the "appropriate performance ensemble" at their resident public school to be eligible for competitive Choir, Band and Orchestra music activities?
A. Yes.
3. **Q.** Must a student participating in an event which the school will use to qualify for state competition be eligible to participate in that event?
A. Yes.

4. **Q.** If a student musician is not enrolled in the “appropriate performance ensemble” class available at the full member school they wish to represent, may that student musician participate at the OMEA district or OSAA Solo Music State Championships representing that school?
- A.** Yes, provided they meet all other OSAA eligibility requirements. There is no music class requirement for Solo Music participation.
5. **Q.** What are examples of competitive music activities at which attendees are required to satisfy OSAA individual eligibility rules?
- A.** Any performance at which ***judges/adjudicators declare a winner and publish rankings of performance that include the identification of the performers*** is considered a music competition regardless of whether the performance is by a group or is a solo performance.
6. **Q.** What are examples of music performances that are not considered competitions, so the OSAA individual eligibility rules would not apply?
- A.** A performance by a group or soloist is not considered a music competition if:
- 1) ***there are no judges / adjudicators present,***
 - 2) ***judges / adjudicators are present, and performers receive “comments only” (no score is given),***
 - 3) ***judges / adjudicators are present, scores are given but no winner is declared, and no recap sheet of any kind is published.***
- However, if a group or soloist is performing at an event of this kind with the intent of qualifying for OSAA state level competition that group’s or soloist’s performance would be considered a competition and individual eligibility rules would apply.*** School music performances such as concerts, pep assemblies, football games, etc. are not considered music competitions, nor are pep band performances at the lower classification basketball championships where community representatives sometimes provide awards.
7. **Q.** Do OSAA individual eligibility rules apply only to a school’s top group/students (Solo Music / Choir / Band / Orchestra)?
- A.** No. Any group or student who participates in a competitive Solo Music, Choir, Band and Orchestra music activity is governed by OSAA individual eligibility rules regardless of the performance level.

BAND / ORCHESTRA HANDBOOK

1. **Eligibility.** The OSAA Assistant Executive Director responsible for the activity shall verify the eligibility of each group applying to participate in the state championships.
- 1.1. **School Eligibility.**
- 1.1.1. A school must be a member of an OSAA League or Special District in order for a group from that school to be designated the winner of that OSAA League or Special District.
 - 1.1.2. A school must be registered in the designated music activity with the OSAA prior to competing. Failure to do so is a violation of OSAA policy and will result in Executive Board sanction(s).
- 1.2. **Individual Student Eligibility.** Individual eligibility rules to be satisfied by a music student in order to represent his or her full member school in competitive Band and Orchestra music activities are the same as for any other OSAA sport or activity with the following additional rules.
- 1.2.1. ***School Music Class Participation Requirement.*** An eligible music student shall be enrolled in the class for ***an*** appropriate performing ensemble at the full member school to participate in competitive Choir, Band and Orchestra music activities.
- EXAMPLES:
- Vocalists shall be enrolled in a choir class.
- Woodwind/Brass/Percussion players shall be enrolled in a band class.
- String players shall be enrolled in a string/orchestra class ***or band class in the case of double bass players performing with a band.***
- Vocalists performing a vocal part with a band / orchestra shall be enrolled in the band, orchestra or choir class.***

1.2.2. 3A, 2A, 1A Band/Orchestra Exception. For 3A, 2A and 1A schools, students in the 7th and/or 8th grades of feeder schools may represent the high school they will be attending in Band and Orchestra competitions.

1.3. Accompanist Eligibility. All performers in band and orchestra must be eligible students, meeting the requirements in 1.2. above.

1.4. Penalty for Use of Ineligible Participant. Use of an ineligible participant shall disqualify the group from all events in which the ineligible student participated.

2. Participation.

2.1. Multiple Participation.

2.1.1. School.

(a) State Qualifying Event. A school may enter as many concert groups as it wishes in a State Qualifying Event, but must designate in advance which group is seeking State qualification. Additional groups may perform and be evaluated at the State Qualifying Event, but shall not be eligible for State qualification. No school may apply for more than one band, one string orchestra and one full orchestra to participate in the state championships.

(b) State Championships. Each school may enter only one band, one string orchestra and one full orchestra.

2.1.2. Student. Students may be entered in only one like group on the same instrument excluding wind players and percussion in full orchestra.

2.2. Divisions. There shall be five divisions (6A, 5A, 4A, 3A and 2A/1A) for concert bands and one division each for full orchestra and string orchestra. School music classifications are determined by OSAA the same as in athletics.

2.3. Group Size. There shall be no restrictions on the size of groups.

3. Qualification for State Championships.

3.1. Definition of OSAA League or Special District Contest. All references to “leagues” in this Handbook are referring to OSAA Leagues or Special Districts. An OMEA District Contest DOES NOT count as an OSAA League or Special District Contest for the purpose of automatic qualification. However, if there is no OSAA League or Special District Contest, the OSAA League or Special District members may by vote designate an OMEA District Contest or another League or Invitational Contest to serve as the OSAA League or Special District Contest for the purpose of determining an automatically qualifying OSAA League or Special District winner.

3.2. Any group wishing to perform at the Band / Orchestra State Championships shall have qualified for participation by performing at an OSAA League/Special District, OMEA District or Invitational contest that satisfied the requirements specified in this Handbook.

3.3. Automatic Qualifiers.

3.3.1. Band and String Orchestra Automatic Qualifiers. A band or string orchestra that meets both of the following criteria will be an automatic qualifier if all other requirements are satisfied:

(a) Win the OSAA League/Special District Contest; AND

(b) Satisfy the following score requirements:

(1) Band. Receive at least two ratings at the level and using the format specified below from certified adjudicators at the OSAA League/Special District contest.

a) 6A – 75 or higher using the 6A/5A Scale.

b) 5A – 70 or higher using the 6A/5A scale.

c) 4A – 75 or higher using the 4A/3A scale.

d) 3A – 70 or higher using the 4A/3A scale.

e) 2A/1A – 75 or higher using the 2A/1A scale.

(2) Orchestra. Receive at least two “1” or “1-” ratings (75 or higher) from orchestra adjudicators that are OBDA certified or approved by the OBDA adjudication committee, using the 6A evaluation scale at the OSAA League/Special District Contest. Should only one String Orchestra compete at an OSAA League/Special District Contest, that group shall not be an automatic qualifier. However, that group shall be placed in the tape pool regardless of the ranking received. All qualifying Full Orchestras will be placed in the tape pool, regardless of the ranking received.

(c) Directors are responsible to meet registration deadline, including submission of registration form, required support material and verifying accuracy of all materials prior to submission.

3.4. Tape* Pool Qualifiers. *NOTE: For the purposes of this rule, “tape” refers to a recording.

3.4.1. Band and Orchestra Tape Pool Qualifiers. A maximum of 20 – 6A bands, 12 – 5A bands, 10 – 4A bands, *eight* 3A bands, eight 2A/1A bands, 15 string orchestras and six full orchestras shall be scheduled to perform at the state championship. After all automatic qualifiers have been scheduled, the additional performance opportunities shall be provided to groups selected from a tape pool.

(a) Any band or orchestra that received qualifying scores from two or more certified adjudicators at the same qualifying contest is eligible to apply to be placed in the tape pool from which the remaining state championships performing groups are selected.

(b) If no band or orchestra from an OSAA League/Special District contest reached the qualifying standard, the highest non-qualifying performance from the OSAA League/Special District, regardless of score, is eligible to apply to be placed in the tape pool from which the remaining state championships performing groups are selected.

(c) The top scoring 3A and 2A/1A band from each festival or contest, regardless of score, is eligible to apply to be placed in the tape pool from which the remaining state championships performing groups are selected.

(d) If fewer than *eight* 3A bands or 10 – 4A bands meet the qualifying standard in that classification, openings in performance opportunities for that classification may be filled with qualifying bands from the other classification, so long as the total number of performing groups does not exceed twenty bands.

(e) If fewer than eight 2A/1A bands or 12 – 5A bands meet the qualifying standard in that classification, openings in performance opportunities for that classification may be filled with qualifying bands from the other classification, so long as the total number of performing groups does not exceed twenty bands.

(f) The tape pool adjudicators have the option to adjust the ratio of string to full orchestra groups scheduled to perform (15 string orchestra / six full orchestra) depending on the quality of performances on the recordings reviewed.

(g) All bands and orchestras placed in the tape pool but not selected to perform shall receive certificates from the OSAA in recognition of the honor of consideration for state level participation.

3.4.2. Recorder Malfunction. In the case of a malfunction by the equipment recording a qualifying performance, an alternative recording may be submitted for tape pool consideration if the conditions under which the alternative recording was created are approved in advance by the OSAA. The OSAA shall grant permission only if the conditions under which the alternative recording is produced are as similar as feasible to those of the original qualifying performance.

3.4.3. Tape Pool Review Process. Tape pool entries shall be reviewed by at least two qualified out-of-state adjudicators.

(a) OSAA League/Special District Results Adjustment. If a group is not selected to perform at State by the tape pool adjudication panel, and that group received a higher combined score from the OSAA League/Special District Contest adjudicators in the “live” performance at the OSAA League/Special District Contest than a group from the same OSAA League/Special

District which was selected to perform at State by the tape pool adjudication panel, the following adjustment shall be made. The group that received the higher combined score from the OSAA League/Special District Contest adjudicators shall be inserted by contest administrators into the tape pool ranked list one rank higher than the group selected by the tape pool adjudication panel, and the ranks of the subsequent groups shall be adjusted one rank lower as necessary. Once OSAA League/Special District results adjustments, if any, have been made by the contest administrators, the results of the Tape Pool Review Process shall be released.

(b) Notification. The results of the tape pool selection process shall be posted on the OSAA website, <http://www.osaa.org/activities/bnd> as soon the results become available.

4. State Qualifying Event Contest Rules and Procedures.

4.1. Philosophy.

4.1.1. Large group festivals or contests such as OSAA League or Special District Contests, OMEA District Contests and Invitational Contests provide an opportunity for school performing groups to be evaluated against a standard of excellence. They also provide an opportunity to qualify for the Band / Orchestra State Championships.

4.1.2. This format provides flexibility for differing philosophies among OSAA Leagues/Special Districts and OMEA Districts and leagues, but certain requirements must be followed if groups wish to qualify for the state championships. The Large Group Festival / Contest is, however, designed to be an educational activity in itself through providing groups with an independent written and / or verbal critique of their performance strengths and weaknesses.

4.2. Entry Fees. A school must pay the entry fees determined by the Contest Director.

4.3. Performance Order. Performance order shall be scheduled randomly to the extent possible.

4.4. Literature.

4.4.1. Required Literature. Each group shall perform one selection from the appropriate level current required state music lists. Higher-level music may also be used. Note: There is no required music list for orchestra.

(a) EXCEPTION: A substitute selection to a required music list piece may be used if written permission is obtained from the State Championships Director two weeks before a qualifying OSAA League/Special District, OMEA District or festival event.

(b) PENALTY: A group, which does not perform a selection from the Required Literature List or a selection approved by the State Championship Director, shall be ineligible for consideration to participate in the state championships.

4.4.2. Once stage timing begins, everything that takes place, including tuning is considered to be part of the performance and may be considered by adjudicators when assigning scores.

4.5. Musical Scores. Three complete original scores or authorized copies of all music performed must be presented to the adjudicators.

4.5.1. Score measures must be consecutively numbered.

4.5.2. Scores must be labeled with school name and classification.

4.5.3. Penalty for provision of unauthorized photocopied scores to adjudicators. U.S. Copyright laws prohibit the use of photocopies unless approval is obtained from the publisher or their agent. The penalty for the provision of unauthorized photocopies shall be disqualification of the group from consideration for State participation.

4.6. Time Limits.

4.6.1. Maximum Time on Stage. 6A, 5A and 4A bands and full orchestras shall have 30 minutes to enter, perform, and exit the stage; 3A and 2A/1A bands and string orchestras shall have 25 minutes to enter, perform, and exit the stage. Each group must perform during its assigned time and adhere strictly to the time limit.

- (a) Onstage time shall begin with the first step on the stage or first note of music (whichever occurs first), and shall end when the last participant steps off the stage.
- (b) **EXCEPTIONS:** Members of the percussion section and adults and students designated by the director may enter ahead of the full group to assist in stage set up prior to the first step on the stage that starts the onstage clock. In addition, the designated adults and students may help in removal of all percussion equipment after the performance, exiting from the front of the stage.
- (c) **Maximum Time Limit Violations - Penalty.** Groups exceeding the maximum allowed time on stage shall have five points deducted from the combined total of the points awarded by the adjudicators.

4.6.2. Minimum Performance Time Limits. Only actual music performed shall be timed; time between movements or selections shall not be included in the total time.

(a) Bands.

- (1) 6A, 5A and 4A bands shall perform at least 18 minutes of music.
- (2) 3A and 2A/1A bands shall perform at least 15 minutes of music

(b) Orchestras. Orchestras shall perform at least 15 minutes of music.

(c) Penalty for Violations of Minimum Performance Time Limit Rules. Violation of the minimum performance time limit rules shall disqualify the group from consideration for State participation.

4.7. Adjudication.

4.7.1. Adjudication Forms. Oregon Band Directors Association adjudication forms shall be used. Orchestras shall be adjudicated on Oregon Band Director Association forms using the 6A evaluation scale. Forms are available for download from the OSAA website, <http://www.osaa.org/activities/bnd/>.

4.7.2. Criticism.

(a) Written.

- (1) Criticism shall be of a length and nature so as to aid in improving the performance.
- (2) Criticism should correlate with the scores awarded.

(b) Oral. Oral criticisms are permitted and encouraged, but must not be a substitute for written criticisms unless recorded.

(c) Recorded Adjudicator's Comments. Electronic-recorded criticism may be given in lieu of detailed written criticism.

4.7.3. Number of Adjudicators. To maximize opportunity for State qualification, three performance adjudicators should be provided at State Qualifying Events.

(a) Bands. In order for groups to qualify for the state championships, two of the adjudicators must be certified as an adjudicator by the respective directors' association for that activity (OBDA). Only scores from certified adjudicators may be used for qualification.

(b) Orchestras. In order for groups to qualify for the state championships, two of the adjudicators must be orchestra adjudicators that are OBDA certified or approved by the OBDA adjudication committee. Only scores from certified or approved adjudicators may be used for qualification.

4.8. Sight-Reading Event (Optional).

4.8.1. Philosophy. Sight-reading scores do not count toward state championships qualification; however, an OSAA League/Special District may choose to include the sight-reading score as a factor in the determination of the OSAA League/Special District winner.

- 4.8.2. Music.**
- (a) **Grade.** Sight-reading music shall be one grade lower than the group's division.
 - (b) **Selection of music.** Sight-reading music shall be selected and furnished by the sight-reading adjudicator or the festival / contest chair if their group is not performing at the festival.
- 4.8.3. Ratings.**
- (a) Sight-reading event scoring and rating shall be kept separately from the concert scoring and rating, but may be used in determining total points in competitive contests.
 - (b) A 60-point Sight-Reading Evaluation Form shall be used for bands and orchestras. Forms are available for download from the OSAA website, <http://www.osaa.org/activities/bnd/>.
- 4.8.4. Sight-reading room procedure.** (See Music State Championship – Procedures section.)
- 4.8.5. Adjudication.**
- (a) Written comments shall be made in such a way as to aid in the improvement of the overall performance of the organization.
 - (b) The relative strengths of the various phases of performances shall be indicated.
 - (c) Constructive verbal comments may be made, but the adjudicator may not rehearse the group or ask them to play passages again.
- 4.9. Awards.**
- 4.9.1.** Ranking shall be determined by the adding of scores of the three performance adjudicators. An OSAA League/Special District may also choose to include the sight-reading score as a factor in the determination of the OSAA League/Special District placement.
- 4.9.2.** An optional sight-reading award may be given.
- 4.9.3.** Rankings shall not be posted, but will be given to directors.
- (a) **RECOMMENDATION:** OSAA Leagues/Special Districts may determine whether names of schools shall be included on this sheet, or numbers only.
- 4.10. Responsibilities of State Qualifying Event Contest Director.**
- 4.10.1. Communicate the Contest Date, Location and Entry Fees to Schools.** The date must be set to allow ample time for state qualifying groups to submit Registration Forms and materials to the OSAA to be received by the OSAA established deadlines found on the OSAA website, <http://osaa.org/activities/bnd/>.
- 4.10.2. Arrange for Certified Adjudicators.** To maximize opportunity for State qualification, three performance adjudicators should be provided at State Qualifying Events.
- (a) **Bands.** In order for groups to qualify for the state championships, two of the adjudicators must be certified as an adjudicator by the respective directors' association for that activity (OBDA). Only scores from certified adjudicators may be used for qualification.
 - (b) **Orchestras.** In order for groups to qualify for the state championships, two of the adjudicators must be orchestra adjudicators that are OBDA certified or approved by the OBDA adjudication committee. Only scores from certified or approved adjudicators may be used for qualification.
- 4.10.3. Arrange for the Required Adjudication Forms.** Oregon Band Directors Association adjudication forms shall be used. Orchestras shall be adjudicated on Oregon Band Director Association forms using the 6A evaluation scale. Forms are available for download from the OSAA website, <http://www.osaa.org/activities/bnd/>.
- 4.10.4. Confirm that each group seeking to qualify for state has performed at least one selection from the Required Literature List.** Each group shall perform one selection from the appropriate level current required state music lists. Higher-level music may also be used. EXCEPTION: A substitute selection to a required music list piece may be used if written permission is obtained from the

State Championships Director two weeks before a qualifying OSAA League/Special District, OMEA District or festival event. PENALTY: A group, which does not perform a selection from the Required Literature List or a selection approved by the State Championship Director, shall be ineligible to participate in the state championship. Note: There is no required music list for orchestra.

- 4.10.5. Arrange for Performance Timing.** See 4.6 Time Limits earlier in this section. (Multiple timekeepers are recommended.)

- (b) A recording of the performance shall be provided.
- 4.10.7. Confirm OSAA League/Special District SOP (Standard Operating Procedures) to Break Possible Ties for OSAA League/Special District Championship.** Only one automatic qualifier may be designated from each OSAA League/Special District. 6. State Championship Rules and Procedures.

6.1. Philosophy.

Requests made via email or phone will not be considered. However, it may not be possible to honor all requests. Order shall be scheduled randomly to the extent possible.

- 6.4.2.** Once stage timing begins, everything that takes place, including tuning and warm-up chorales, is considered to be part of the performance and may be considered by adjudicators when assigning scores.
- 6.5. Musical Scores.** Three complete original scores or authorized copies of all music performed must be presented to the adjudicators.
- 6.5.1.** Score measures must be consecutively numbered.
- 6.5.2.** Scores must be labeled with school name and classification.

- (c) EXCEPTIONS:** Members of the percussion section, along with adults and students designated by the director, may enter ahead of the full group to assist in stage set up prior to the first step on the stage that starts the onstage clock. In addition, the designated adults and students may help in removal of all percussion equipment after the performance, exiting from the front of the stage. For the Band / Orchestra State Championships, the timer shall notify the director when the chairs and stands are set and the onstage time will begin. The timer shall not provide additional time for percussion set up.

6.7. Sight-Reading. Each group shall sight read in accordance with sight-reading rules found in this Handbook. NOTE: All members of the performing group shall be required to sight-read. Failure to satisfy this requirement shall result in the disqualification of that group from consideration for award or recognition. EXCEPTION: Due to the large size of some bands and full orchestras and possible space limitations of the sight-reading room, those groups shall be limited to 80 performers without penalty to the performing group. Selection of the performers shall be at the discretion of the director.

6.8. Sight-Reading Room Procedure.

6.8.1. Groups shall be adjudicated from the time the first member enters the sight-reading room until the last member leaves the room.

6.8.2. Groups shall be responsible for seating themselves. Groups with more than one director, such as an assistant director, student teacher and/or percussion instructor, must designate which director will lead the group during sight-reading. Only one director will be allowed to give instructions and direct the group during sight-reading. When the group is ready to perform, the adjudicator shall then read or explain the following statement to the group:

"Do not remove the music you are about to receive from the envelope until told to do so. Failure of any students to abide by this request will result in a deduction of five points from our total scores."

6.8.3. The adjudicator shall read or explain the following statement to the group:

"I will tell you when to open the envelope containing your music. You will have seven minutes for your director to talk you through this selection. Your director may not sing or clap rhythms or communicate the rhythms in any way to you, however the director may request that you finger the notes and/or sing them back and/or clap rhythms. You may not play your instrument at any time during this seven-minute period; any student playing an instrument will cause your group to forfeit five points from your total sight-reading score. Tympani may tune during this time."

6.8.4. The adjudicator shall ask if there are any questions. When questions have been answered, he shall instruct the group to remove the music from the envelopes and the seven-minute period shall begin. During the seven minutes, the director will receive a two-minute warning and a thirty-second warning. At the end of the seven-minute period, the adjudicator shall explain the following information to the group:

"While the group is sight-reading the music, the director may call rehearsal marks, sing lines with the sections- do almost anything to keep the group together. It is acceptable to regroup after stopping and start again, but a group doing so may not score as high as a group performing the music without stopping."

6.8.5. The group then performs the sight-reading selection.

6.8.6. Upon completion of the sight-reading selection, the adjudicator shall read or explain the following:

"Put your music back in the envelope from which it came, and pass it in to me. Failure of any student to pass in a part at this time will result in a five-point deduction in your total sight-reading score."

6.8.7. If time permits, the adjudicator may give verbal comments to the group on their performance.

- 6.8.8.** The adjudicator shall dismiss the group when the student assistant has accounted for all parts of the sight-reading selection.
- 6.9. Warm-up.** Warm-up shall be allowed only in the designated warm-up area during the assigned warm-up time.
- 6.10. Adjudication.**
- 6.10.1. Quantity.** Three performance adjudicators and one sight-reading adjudicator shall adjudicate each group in the state championships.
- 6.10.2. Adjudicator Selection.** Adjudicators shall be recommended to the OSAA by the championship director from current lists of certified adjudicators or qualified out-of-state adjudicators.
- 6.10.3. Adjudication Forms.** Oregon Band Directors Association (bands and orchestras) adjudication forms shall be used. Sample forms are available for download from the OSAA website, <http://www.osaa.org/activities/bnd/>. Sets of the specific evaluation criteria used by adjudicators to complete the forms are available from the OSAA.
- 6.11. Criticism.** Each adjudicator shall provide electronic-recorded criticism. Written criticism may be provided when time permits.
- 6.12. Awards.**
- 6.12.1. Student Certificates.** Student members of all groups shall receive certificates in recognition of participation at the state championships.
- 6.12.2. Determination of Winners.** The three performance adjudicators' scores plus the sight-reading score shall be totaled to determine the winners in each classification. In the case of a tie for any of the first four places, the groups shall tie for the upper place, the next place shall be skipped and an additional trophy shall be ordered.
- 6.12.3. Awards.** A certificate shall be presented to the director of each participating group. Trophies shall be presented to the top 50% of the groups in a division up to a maximum of five awards per division.
- 6.12.4. Awards Assembly.** Final awards shall be presented in public at the state championships.
- 6.13. Results Distribution.** Adjudicators' comments shall be made available to directors following the awards assembly. A "masked" score array including score totals only with school names removed shall be posted on the OSAA website, <http://www.osaa.org/activities/bnd/>.

- 3.1.** The arrangement of all festivals, meets, contests or championships is the responsibility of the superintendent, assistant superintendent or high school principal, subject to the Regulations of the Association.
- 3.2.** When a festival, meet, contest or championship is in progress, the National Federation of State High School Associations (NFHS) rules governing such activities shall apply, except for specific deviations as approved by the Executive Board.
- 3.3. Conversely, a positive atmosphere is created when fans focus on positive yells in support of their team, rather than on negative yells attacking their team's opponents.
